ev' - ry night in my dreams I see you I feel — you that is how I

ev' - ry night in my dream I see you I feel — you that is how I

ev' - ry night in my dream I see you I feel — you that is how I

14

know you go on far ac-ross the distance and spac-es be - tween — us

know you go on far ac-ross the distance and spa-c-es be - tween — us

know you go on far ac-ross the distance and spac-es be - tween — us

know you go on far ac-ross the distance and spac-es be - tween — us

21

you have come to show you go on near far ev - er

you have come to show you go on near far ev - er

you have come to show you go on near far where- ev - er you are

you have come to show you go on near far where- ev - er you are

28

you are ou once more

you are ou where does my heart go once more

I be-lieve that the heart does go on once more you

I be-lieve that the heart does go on once more you

35

op - en the door my heart will go on and on

op - en the door my heart will go on and on

op - en the door and you're here in my heart and my heart will go on and on

op - en the door and you're here in my heart and my heart will go on and on

42

love can touch us one time and last for a life - time and nev-er let go till we're

love can touch us one time and last for a life - time and nev-er let go till we're

love can touch us one time and last for a life - time and nev-er let go till we're

love can touch us one time and last for a life - time and nev-er let go till we're
